

Tapatan for 2 Players

6 game pieces (3 coins or chips for each player) Object of the game- To get three in a row either horizontally, vertically or diagonally

1. Decide which player is playing with which color and who is going first.
2. Take turns placing one game piece at a time on any of the Tapatan board points trying to get 3 in a row.
3. When all 6 pieces have been placed, players take turns sliding from point to point along the board lines trying to get 3 in a row in any direction. You cannot share a point with any other marker. Similar to tic tac toe but Tapatan is a strategy game and more fun as it reduces the likelihood of a tie.
